

Access all areas 2010

With 139 works by 69 members, *Access all areas 2010* has again eclipsed all previous members show participation records. *Access all areas 2010* represents PhotoAccess in all its diversity.

We are very encouraged by the number of members who are showing for the first time this year, including Ash Peak, Jack Roach, Jillian Batri, Karen O'Connor, Holly Treadaway, Chris Taylor, Jane Greagg, Aart Groothius, Monique Butselaar, James Roberts, Ann-Maree Hanratty, Jack Paterson, Daniel Nugent, Paul Lau, July Williams, Mihir Mahajan, Ann Robb, Tricia Woodhouse and Jo Wright.

We have an expanded group of young members (under 20s) in this year's show. Jack Roach gives us a glimpse into abandoned places he has explored; Jack Paterson has placed himself, friends and family in images commenting on the unfair stereotyping of teenagers; Eric Mandl's beautiful images show the dance of fire; Mihir Mahajan raises questions (fairly or unfairly?) about his mother's eyesight.

The continuing involvement of artists who have had solo HUW DAVIES GALLERY exhibitions is particularly pleasing. They include Kerry Baylor, Stephen Best, Ian Copland, Suzie Edwards, Bronwyn Jewell, Marie Lund, Payal Sehgal Mahajan, Dan O'Day, Barbie Robinson, Lorna Sim, Tony Stewart and Ed Whalan. Several members showing in *Access all areas 2010* have exhibitions coming up in the next few months, including Tim Anger, Ian Copland, Suzie Edwards, Julie Garran, Margaret Kalms, Holly Treadaway (Holly is a 2010 emerging artist in residence) and Belinda Pratten.

Also included in the show are board members and advisers (Bob Burne, Lisa Holmes, Kate Luke, Dan O'Day, Belinda Pratten, Tony Stewart); staff members; tutors—Richard Scherer in particular; and volunteers (including Ann-Maree Hanratty and Andrée Lawrey).

The quality of prints this year is arguably the highest we have seen since digital images overtook dark room prints.

Christine Rufflet, Stephen Best, Ed Whalan, Lorna Sim, Alex Moffatt, Jillian Batri, Kate Luke, Dan O'Day, Steve Lovegrove, Julie Garran and Jo Wright are amongst the members who have given us particularly interesting images for this year's show.

Engaging and challenging work has become the standard for PhotoAccess members shows, and *Access all areas 2010* continues the tradition.
